

Enrollment Contract Amendment Instructions for the Open Enrollment Period for Fiscal Year 2021 Attendant Compensation Rate Enhancement (July 1, 2020 to July 31, 2020)

In response to direction from 76th Texas Legislature (Article II, Department of Human Services, Rider 38, H.B. 1, 76th Legislature, Regular Session, 1999), the Health and Human Services Commission (HHSC) Rate Analysis adopted rules at Title 1, Texas Administrative Code (TAC) §355.308 to establish procedures for Nursing Facilities (NFs) contracted to the former Texas Department of Aging and Disability Services (DADS) to obtain additional funds for increased staffing for registered nurses (RNs), licensed vocational nurses (LVNs), medication aides, and certified nurse aides. As per these rules, providers who choose to participate in the enhancement program and receive additional funds must demonstrate compliance with enhanced staffing requirements. Participating providers are also required to spend at least 85 percent of their direct care staff Medicaid revenues on direct care staff compensation costs for Medicaid residents, or the difference between 85 percent of direct care staff revenues and direct care staff compensation costs is recouped by the state. At no time will a participating facility's direct care rate after spending recoupment be less than the direct care base rate.

GENERAL ENROLLMENT INSTRUCTIONS

All providers contracted to HHSC for eligible services received an Enrollment Notification or an Enrollment Limitation Notification. Both notifications are available on this website listed below for your reference:

<https://rad.hhs.texas.gov/long-term-services-supports>

This website is an important tool during Open Enrollment. All forms, worksheets and instructions are accessed from the website by clicking on your program from the list of services in the left margin. Next, scroll to the heading "Rate Enhancement – Direct Care Staff Compensation." Click on the link "View 2021 Rate Enhancement – Attendant Compensation information." All instructions below regarding the location of specific materials for Open Enrollment begins with the assumption that you are on this page for your program (hereafter referred to as "Rate Enhancement webpage for your program").

- The deadline for all materials to request changes in enrollment status are due to be received by HHSC Rate Analysis **by July 31, 2020, at 5:00 p.m.** Neither faxes nor e-mails will be accepted.
- **The highest enhancement level that any contract may request is Level 27.**
- Levels are awarded within available funds, and it is possible that a provider will not be awarded the level it requests due to limited funding for the enhancement program.

According to 1 TAC §355.112, no provider will be enrolled in the Direct Care Staff Compensation program at a level higher than it achieved on its most recently available, audited report functioning as an Direct Care Staff Compensation Report. As a result, all providers who received notification of recoupment on the 2017 Cost Report or 2018 Accountability Report will have their level of participation limited to the level achieved on the most recently audited report. Affected providers will receive a notice of limitation.

ENROLLMENT CONTRACT AMENDMENT (ECA)

The open enrollment for payment rates effective September 1, 2020, begins July 1, 2020, and ends July 31, 2020. To enroll, contracted providers must properly complete the ECA online at the below address.

<http://registration.hhsc.state.tx.us/rfr/RFRLogin.aspx>

Any provider whose properly completed ECA is not received by HHSC Rate Analysis by 5:00 p.m. on July 31, 2020, will continue at the Level of Participation in effect during the open enrollment period, within available funds (unless the provider was subject to an Enrollment Limitation as described above). This continued enrollment provision is called “roll-over” enrollment. If you are unsure of your current Level of Participation, you may look it up on our website.

A properly completed ECA must:

1. Have a checkmark in either the “yes, this facility chooses to enroll” or the “No, this facility chooses not to enroll” box;
2. Verify the fiscal year end for the entity. If incorrect, email the Rate Analysis Help Desk at costinformation@hhsc.state.tx.us to have the information verified and corrected;
3. Reflect the correct 9-digit contract number for the provider.

In addition, providers checking the “Yes” box must indicate their chosen Level number from 1 to 27 in the “Level” box. Please note that Level 0 is not an option.

HHSC Rate Analysis must receive the ECA submitted through the HHSC RAD website no later than 5:00 p.m. on July 31, 2020.

Requests that are not received by this deadline will not be accepted.

If you have questions concerning the ECA or Open Enrollment, you may contact the Rate Analysis Department Long Term Services and Supports Center for Information and Training at rad-ltss@hhsc.state.tx.us.
